WHAT DRIVES US DRIVES YOUR GROWTH

As we turn the page to a new decade, there are some things that remain constant. For us, that includes our passion to create innovative products that don't just offer new features, but aimed at improving the overall consumer experience. We think of this as a part of our secret sauce at Hopkins. Our focus is on driving **INNOVATION** across our growing family of recognized brands and products. Our goal is to drive higher consumer satisfaction.

Given our market leading positions in our product categories, we mine big data **CATEGORY MANAGEMENT** insights that uncover incremental growth potential for our partners. Optimizing assortments, merchandising, retail pricing and promotion result in planograms that fuel comp growth and profitability. We refer to our category insights as Prophet™ where these insights have been translated into a track record that is second to none.

We know that satisfying consumers is the key to driving repeat business and **LOYALTY** to our brands and our partners who stock them. This is the first step in an unfolding process at Hopkins that drives a continual cycle of growth.

We continue to drive **SIMPLICITY** through our state of the art distribution center in Edgerton, KS. It is centrally located in the US and brings together all of our products under one roof. This creates opportunities to simplify ordering, shipping and receiving. Combined with our sales and customer service teams, it's a unique promise that Hopkins can make ... to make your work life easier and simpler while bringing you recognized brands and innovative products that deliver satisfaction through innovation and value.

We appreciate you. And your business. we invite both our existing customers and those new to us to reach out to us to learn how we can help drive your growth in this new decade!

Keep it dry, keep it clean, keep it

NeverWet®

SUPERHYDROPHOBICITY:
Your customers are going to love it!

UNTREATED SURFACE
Water forms flat "pools" that stick to surfaces resulting in excessive moisture damage on the surface.

HYDROPHOBIC SURFACE
Water forms partially rounded beads resulting in some droplets rolling off of surfaces, while others remain and pool.

SUPERHYDROPHOBIC SURFACE
Water forms a round sphere resulting in water rolling effortlessly off of treated surfaces, keeping them dry and protected.

Seat Protector Black Bucket Seat Cover
• Treated with NeverWet® for superhydrophobicity

SEE A BETTER ROAD AHEAD

SubZero® and Mallory® have teamed up to support the Breast Cancer Society of Canada® (BCSC) by offering four different pink items to help support the BCSC.

A portion of all sales will be donated to BCSC in support of their mission — to save lives through increasing breast cancer awareness through education, providing diagnostic breast cancer care services for those in need, and providing nurturing support services.

FLO TOOL®

LIFTING DIY OIL CHANGE TO THE HIGHEST STANDARD

MEETS AND EXCEEDS

PASE STANDARDS

PORTABLE AUTOMOTIVE SERVICE EQUIPMENT

Patented structural design combined with high strength, lightweight material makes the RhinoRamps® as strong as any other ramps on the market, resin or metal.

STRONG AS STEEL™

Better by Design

Strength and stability – that was our goal. RhinoRamps® achieve this with a Strong as Steel™ superstructure and integrated Core-Trac™ non-skid feet to reduce sliding during use. Adding our superior tread pattern and wide design make these the most secure ramps on the market. A reduced rise angle also works to accommodate low profile vehicles ... a feature most other ramps can't claim!

Space Saving and Lightweight

Our unique, nestable design not only saves space in the consumer's garage but more pieces on a pallet means reducing footprint in the warehouse, on the truck and minimizes space required on the retail shelf. This combined with our lightweight structural foam resin allows for easy handling and portability making RhinoRamps the best choice in lifting devices.

RhinoRamps

GRIPTECH™ FAMILY OF WRENCHES

The GRIPTECH™ family of wrenches uses a non-slip grip that is superior to traditional oil change tools. This patented, innovative grip allows the wrench to firmly grab the oil filter and remove it easily, quickly and without scrapes and bruises. Taming and simplifying the oil change experience encourages DIYers to perform maintenance at regular service intervals. That's exactly what GRIPTECH™ delivers.

FLUID MANAGEMENT

EXTRACTORS

FLO TOOL®

LiquiVac™
fluid extraction system

EXPERIENCE THE QUICKEST, CLEANEST & EASIEST OIL CHANGE!

EASE OF USE

Hand pump action creates a powerful vacuum for fluid extraction – no electricity needed!

COMPACT DESIGN

Allows for accessibility in tight spots and conveniently transfers fluids for storing, transporting and recycling

FLEXIBLE

A versatile lineup that is perfect for a variety of applications from large to small engine fluid services

Extraction allows oil and fluids to be removed through the dip stick port. The powerful vacuum combined with tubing extensions allows easy access to hard to reach places and eliminates the need to go under the vehicle.

FLO TOOL

FLUID MANAGEMENT

THE RIGHT FUNNEL, THE RIGHT FIT

The diversity of the FloTool™ funnel lineup is proven in delivering step-up opportunities and comp store growth

Quickfill™ Series funnels drive consumer satisfaction with performance features that DIYers value

High-Performance

The ultimate in funnel design puts best-in-class features to work to help the DIYer get the job done quickly and easily.

Our high-performance funnels include "no-mess" splash guards, easy grip hand holds, speed channels and wide spout openings for high velocity pouring. Simply put, these funnels set the standard for fluid handling performance.

Task-Specific

FloTool® continues to be the leader in developing high margin funnels that are specific to certain tasks, making fluid handling easier for the consumer. These include measuring and mixing, gasoline control, transmission fluid and more. Task specific products generate increased revenue for you and higher satisfaction for the consumer.

Multi-Purpose

Our multi-purpose funnels include unique step-up features such as the "no-mess" splash guard, bottle rests and flexible spouts to get to hard to reach filler holes. These middle price point items are key to product differentiation, offering balance and flexibility in your planogram.

Basic Series

The FloTool® Basic Series of funnels provide essential fluid handling benefits at a value. Typically purchased by the budget-oriented consumer for smaller engine applications and general tasks, these funnels play a pivotal role in any "Good – Better – Best" product and pricing strategy.

HIGH-PERFORMANCE - fastest growing segment within *"fill"* products

PORTABLE FUEL FILTERS
YOUR TOOL FOR PURE FUEL

Dirt and water are the top reasons for fuel related engine failure

DIRTY FUEL IN PURE FUEL OUT

Pure Fuel Makes Any Engine Run Better and Last Longer

Dirt and water are practically unavoidable in stored fuel, causing corrosive acids, electrolysis, rust and more. These contaminants can plug filters, corrode components, decrease efficient combustion and cause engine shutdown or system failure.

You can combat these problems by refueling with a Portable Fuel Filter. Protect your engine by using this innovative product every time you transfer fuel to your tank.

Works With Gasoline, Diesel, Heating Oil and Kerosene

UNIQUE FILTER TECHNOLOGY

When fuel is poured through a Portable Fuel Filter, water and debris will not pass through the filter's fluoropolymer-coated stainless steel filter. Only filtered fuel flows through to your engine, improving its efficiency, durability and proper operation. The sump area collects the deflected water and debris for proper disposal.

FLO TOOL

ABSORB MORE FOR LESS

FloTool® High Performance Absorbent™ can absorb up to 8 times more liquid than traditional absorbents. The secret is how we heat-treat our wood fibers. It makes them far more effective than traditional clay and diatomaceous earth products. That's why FloTool® High Performance Absorbent™ is the best value for the consumer. Our absorbent can be used on oil, grease, lubricant, paint, water, and other fluids and is safe to use on most surfaces including concrete, blacktop, turf, carpet, linoleum, tile, and more.

SAVE HALF ON EVERY CLEAN-UP

CLEAN WITH CONFIDENCE

Keeping a floor clear of spills and slickness is essential, whether it is in the commercial or DIY setting. A high quality absorbent such as FloTool® High Performance Absorbent™ will quickly stop the spread of spills, and a Mallory® floor squeegee will make clean-up a breeze. Choose from commercial-grade oil resistant blades, to general-purpose blades, to foam blades, great on smooth surfaces.

Whatever the surface, whatever the fluid, Mallory® floor squeegees get the job done right!

FLOOR SQUEEGEES

COMMERCIAL GRADE
(Oil Resistant)

These oil-resistant rubber blades have a
higher tolerance to oil and other
chemicals resulting in a
longer blade life.

GENERAL PURPOSE

These general-purpose rubber blades
work on all surfaces and with all
fluids, perfect for the DIYer.

FOAM

A foam blade is ideal for smooth surfaces such as
decks, patios, driveways, sidewalks
and ceramic floors.

WHAT DRIVES US, DRIVES YOUR GROWTH

AS THE LEADING BRAND OF DIY ELECTRICAL TOWING PRODUCTS, WE ARE ON A MISSION TO DRIVE GROWTH IN 2019 AND BEYOND

CONSUMER DRIVEN INNOVATION

We focus on providing the consumer with a simpler and more rewarding towing experience through innovation and value. We follow a consistent philosophy, including leveraging consumer insights to drive product innovation.

RECOGNIZED AND TRUSTED BRAND

As the recognized automotive industry leader in towing electrical products, the Hopkins Towing Solutions® brand is synonymous with trust, while delivering superior value to both the consumer and you, our valued customers.

AWARD WINNING RETAIL PRESENTATION

Our retail solution maximizes planogram performance and provides for more intuitive consumer navigation. Effective graphics, premium color segmentation by product type, increased visibility or "better/best" products, help guides and mobile assistance all provide for a more satisfied shopper.

- Length, 44 inches

1200200050 [PATENTED]

LED Break-Away Switch

- LED verifies 12-Volt power is being transferred to the trailer brakes
- Durable pin and vehicle hook-up cable
- Weatherproof design
- Length, 7 inches

1200200052

Replacement Cable & Pin

- For use with standard and LED Break-Away Switches
- Durable pin and vehicle hook-up cable

1200200008

12-Volt Rechargeable Battery

- 5 Amp hour rated battery
- Exceed D.O.T. regulation 393.43 (d)
- Will hold trailer brakes on for at least 15 min. (1 to 2 axle)

TRAILER SIDE

STAY EQUIPPED,
GET CONNECTED.

Trailer side connectors are electrical plugs attached to the front end of a trailer electrical harness. These connectors will consolidate all of the electrical towing functions of a trailer into a single plug for attaching to the vehicle side connector.

Common connector types range from a 7 wire system providing left turn, right turn, taillight, backup/reverse, auxiliary, electric brake and ground to a 4 wire system providing left turn/brake, right turn/brake, taillight and ground.

HOPKINS TOWING SOLUTIONS

HOPKINS TOWING SOLUTIONS

VEHICLE SIDE

STAY EQUIPPED,
GET CONNECTED.

Vehicle side connectors are electrical sockets typically mounted within or below a tow vehicle bumper for the purpose of trailer towing. These connectors provide the electrical outlet necessary for powering trailer lights, brakes or other electrical devices.

WIRELESS MANAGEMENT SYSTEM

Reduces light system installation by hours. No need to drill through the firewall, install switches or fuses.

✓ Controls 4+ lights and/or other electrical devices (winch, coolers, etc.) and allows for warning light pattern selections

✓ Energy Savings! Automatically turns off after 48 hours preventing damage to the lights and battery

Wireless Management System - 4 Channel With Phone App

CWL623

- Includes module and app (phone not included)
- Ability to adjust brightness or turn multiple lights on and off with one touch
- Extra terminal for warning/emergency light patterns
- Easy installation - no drilling through firewall or adding switches to dash (relay and fuse inside unit)
- Sleep mode automatically turns off after 48 hrs. preventing damage to the lights and battery
- SmartPhone connection range of between 10-20 feet

Wireless Management System - 4 Channel

CWL622

- Includes module and remote
- Remote control operates 4+ lights (2+ ea. at 18 and 2 amps)
- Easy installation - no drilling through firewall or adding switches to dash (relay and fuse inside unit)
- Sleep mode automatically turns off after 48 hrs. preventing damage to the lights and battery
- Remote has up to 100 feet of wireless range

800-527-3465

LED LIGHT KITS WITH REMOTES

Fast and easy installation - no drilling into dash, no wiring, switch, relay, or fuse needed ... it's all included in the remote system

Each Kit Includes:
- 24" Double-Row Light Bar or 3" Cube Set
- 9' Lead Wires
- Mounting Brackets and Hardware
- Module & Remote

PATENTED
INTELLECTUAL PROPERTY

AUXILIARY LIGHTING ACCESSORIES

CWL610

Quick-Connect Wiring Harness

CWL620

- Harness includes quick connecting plug, 40 amp relay, 30 amp fuse and round toggle switch
- Heavy-duty wiring harness is designed for systems 200 W and over
- 9′, 16 gauge wire
- Quick connecting plugs are water resistant and easy to install

Quick-Connect Wiring Harness

CWL610 - 1 Light　　　　　**CWL615 - 2 Lights**

- Harness includes quick connecting plug, 40 amp relay, 30 amp fuse and round toggle switch
- 1 and 2-light wiring harnesses are designed for lighting systems under 200 watts
- 9′, 16 gauge wire
- Quick connecting plugs are water resistant and easy to install

Quick-Connect Plug Set

CWL625

- Includes male and female plugs with 6″ leads
- Water resistant and easy to install
- Connect to light, wiring and/or harness

Round On-Off Switch

CWL624

- Fits in 3/4″ diameter hole
- Illuminated switch lights red when on
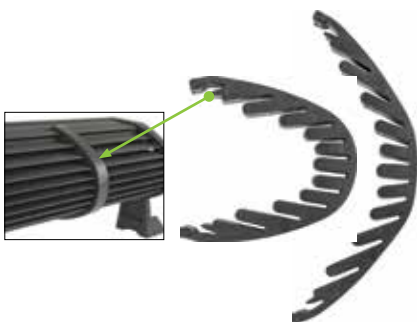

10 Pack Noise Reducing Inserts

CWL627

- PVC inserts reduce vibration noise caused by wind, road and terrain
- For Blazer® double row LED light bars

24 Piece Theft Prevention Hardware

CWL626

- It includes 2 Allen wrenches, 5 lock nuts and 17 screws
- Unique bolt head deters theft - Standard wrenches or screwdrivers will not remove light

6" CWL630 on 7"
Double Row Light Bar

2 Pack Light Covers

CWL630 - Amber
CWL631 - Black

- Easy to snap on and off 6" and 8" segments
- Fits most double row light bars
- Polycarbonate lens - durable and shatter proof. Protects lens when not in use
- CWL630 amber lens improves visibility in fog or snow
- CWL631 black lens covers satisfy regulations in most states/provinces (check local laws)

Round Mounting Brackets

CWL636 - 2" Diameter

CWL637 - 1¾" Diameter

CWL638 - 1½" Diameter

- Designed for mounting a single light or light bar on round or angled bars or frames
- Powder coated, durable steel frame for long lasting use
- Includes bracket, mounting hardware and padding to protect the mounting surface
- Mount can be adjusted and rotated 360° to fit height or width requirements

Universal License Plate Bracket

CWL692

- Designed to use the holes that USA and Canadian license plates fit into (license plate will attach to the bracket, as well)
- Powder coated, durable steel frame for long lasting use
- Fits stud, post and side mounting brackets - fits all Blazer® lights 13" and under
- Bracket can be used on bumper, racks and other locations. Great for cameras, too
- No drilling required

CUSTOMIZABLE KITS FOR ALL PROJECTS

MAKE IT ANY SIZE™

ANY SIZE, ANY SPACE, ANYWHERE!

Trying to find a solution for your space that fits perfectly is IMPOSSIBLE. Not to mention, every space whether its your garage or patio is different. 2x4 Basics® brackets gives you the option for a quick solution that fits ANY SIZE and ANY SPACE!

WE DID THE HARD WORK, SO YOU DON'T HAVE TO!

Only 90 degree cuts are required. So SIMPLE, the most novice DIY'er can accomplish this task! And to simplify the process even more, only 2x4 lumber is needed for most projects. Once complete, customize your project with strains or paint to match your space/theme!

HIGH QUALITY

Made of heavy gauge structural resin, all 2x4 Basics® brackets have a simple yet durable design allowing them to hold up to rough conditions. All 2x4 Basic® items come with 2-Year warranty
